Dear Camp family,

We would like to invite you and your families to join us for a Camp Monterey Party! Mark your calendars so you won't miss this chance to see your Camp friends, meet new ones, and see the 2017 Camp Monterey movies!

Come see yourself and your friends in the movies, share stories, and remember all the fun we had at Monterey last summer, as well as make plans for next summer together again in Tennessee!

Camp gives you an opportunity to form friendships that last a lifetime. Getting to know girls from all over the States, and even other countries, whom you get to see year after year is only one of the special things about a summer at Monterey.

Camp movie parties are a great way to introduce Camp Monterey to new campers, so if you have a friend who would enjoy and benefit from a summer at Camp Monterey, bring her along!

We can't wait to see you at the party in your area and look forward to planning for your return to Camp next summer!! Remember, the best part of memories is making them! Love from "Miss Keith"
