Camp gives you an opportunity to form friendships that last a lifetime. Getting to know girls from all over the States, and even other countries, whom you see year after year is only one of the special things about a summer at Monterey.

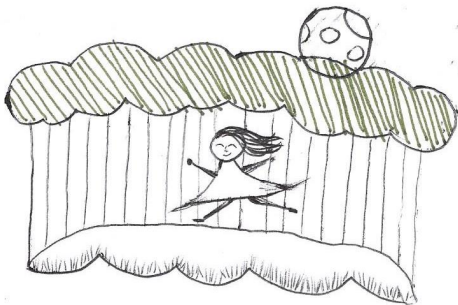

Camp movies are a great way to introduce Camp Monterey to new campers, so if you have a friend who would enjoy and benefit from a summer at Camp Monterey, bring her along!

We can't wait to see you at the party in your area and look forward to planning your return to Camp next summer!

Love,

"Miss Keith"
